

From the M1

Where the motorway divides into M1 / M621, take the M621.

Leave at Junction 3 and follow signs for City Centre and the railway station.

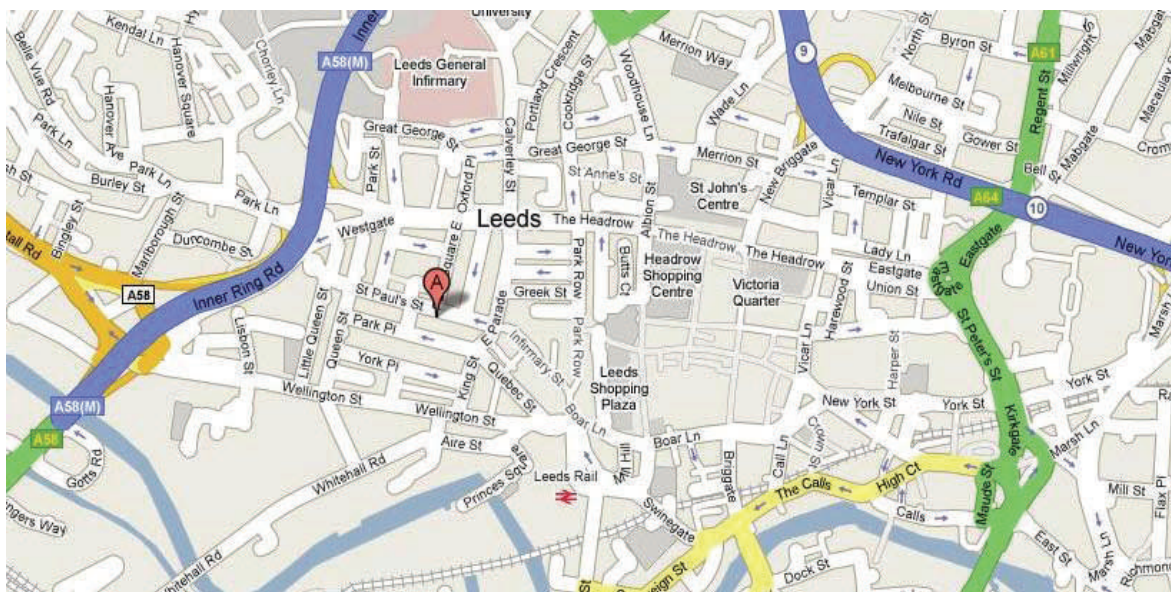

When you reach the station (on the left), use the middle or right lane at the traffic lights—marked loop.

This takes you into City Square—ahead is Quebec Street which runs between the Majestyk nightclub on the left and Leeds Law School on the right. Use the left hand lane.

At the end of Quebec Street, turn right into King Street.

Take the first left turn into St Paul's Street—our office is No 33 which is approximately 300 yards on the left.
