

when you need help and
someone to talk to...

...*trust us* to help
you through it

Family Law

Our solution

Levi Solicitors have expertise in all areas of Family Law and are committed to achieving the best possible solutions to resolve/alleviate family and matrimonial problems. Levi Solicitors manage cases efficiently with a high degree of sensitivity and integrity. In the break up of relationships we will achieve the best results for you whilst avoiding animosity wherever possible.

We are sensitive, caring and understanding in our approach. We will give you our complete attention and act quickly in response. Furthermore, being a team within a large corporate law firm we can also draw upon the experience and expertise of our colleagues in many other areas of law which often arise in cases we deal with such as taxation, wills, insolvency, employment, corporate and commercial issues which affect a business.

We will advise on the best legal action to take and also help with additional support services too, directing you to counselling organisations and support services.

Our services include

- Divorce/Separation
- Children issues
- Cohabitation
- Same sex relationships
- Pre-nuptial agreements
- Financial Settlements
- Domestic violence

Client benefits

Client benefit Levi Solicitors Family Team consist of both male and female Family Law Specialists who specialise purely in Family Law and who are on hand to assist you in achieving the best possible results for you, offering you a high level of service and practical specialist advice. We carry out both privately funded and publicly funded (Legal Aid) work.

Our focus is to equip you with sensible, practical and realistic advice with the aim of securing a quick resolution and we expect our client to have a central place in a team effort.

What's the next step?

We have an expert team available to provide constructive advice and support if your relationship is breaking down.

Call our family team on:

0113 244 9931

for a free no-obligation appointment to discuss your current needs.
